

Position Profile:

This position is responsible for providing dedicated support related to the upkeep and expansion of CURIO's marketplace presence. In addition to the daily operations of maintaining our marketplace presence, the Marketplace Specialist will assist in the strategizing and implementation of marketplace initiatives for all brands to help achieve the company's annual marketing and sales goals.

The Marketplace Specialist is responsible for supporting and executing the day-to-day projects and activities surrounding assigned brands in the Amazon online marketplaces with possible future expansion to others. The Marketplace Specialist works cooperatively with Digital Team, Brand Team, Design & Innovation, Sales, and Operations teams to implement the annual Marketplace plan. This position will also support new product launch products, seasonal promotions, and advertising campaigns in the assigned marketplaces.

Work Responsibilities:**Executing Marketplace Operations:**

- Create, curate, and manage all day-to-day marketplace content and product listings.
- Monitors and responds to product reviews and product Q&A in conjunction with Customer Experience team.
- Aid in conceptualizing and responsible for execution of content for marketplace storefronts, posts, and other promotional elements.
- Monitor and improve organic rank of product listings.
- Create and maintain marketplace product promotion calendars.
- Interface with third-party vendors and ad platform account management teams to promptly resolve technical and operational issues related to marketplace accounts and product listings.
- Manage, optimize and fix listings for online marketplaces (i.e., Amazon, eBay, and Walmart).
- Interpret product errors and find and/or recommend solutions to improve future product data quality.
- Research best practices, rules, and guidelines for multiple marketplaces and apply knowledge to listings.
- Routinely audit general health of marketplaces and recognize areas of improvement.
- Where available from partner, manage and optimize digital ads or product positioning options to maximize revenue and balance marketing cost of sale.

Collaborate on Marketplace Strategies & Tactics

- Develop marketplace content in conjunction with cross-functional teams.
- Partner with commercial teams to plan marketing campaigns that leverage creative assets and increase revenue.
- Assisting in forecasting of marketplace sales and internal demand to drive growth and meet company objectives.
- Collaborate on long-range objectives for brands' marketplace presence.
- Coordinates and partners with internal or external agencies to execute marketplace objectives and to promptly resolve technical and operational issues related to marketplace accounts and product listings.
- Produce and distribute reports, share key drivers of positive or negative trends, and track progress on KPIs.
- Identify and communicate emerging industry trends, tools and application within Amazon's markets.
- Run requested reports and draw conclusions from data to aid management in determining marketing direction.
- Have a comprehensive understanding of brand, product offerings and competitive landscape and monitor marketplace trends
